

New OWENS Fleetships...products of Owens' REVOLUTION in boat building!

The ideal answer to the growing demand for a husky cruising craft with "big-boat" appointments and distinctive styling, yet modestly priced. Smart cabin design features the new "forward look". Has two bunks, spacious storage space, large deck area, water-tight motor well, auto-type wheel, binnacle box, cable steering controls, etc. Truly the perfect boat for casual cruising.

General Specifications

Gunwale length.....	20'3"	Depth Amidships.....	3'10"
Maximum beam.....	7'8"	Forward deck length.....	5'4"
Transom depth.....	20"	Approx. shipping wt.....	1650 lbs.

"20" Outboard Lapstrake Cruiser ↓

This smart new Owens Fiberglas beauty has ample space for double berths in airy cabin. Flying bridge, hinged windshield, extra deep hull makes her plane with less horsepower and handle well at all speeds in all waters. Extra beam and freeboard keeps you safe and dry. Two bunks with ample storage compartment. Choice of colors. With Owens' cable steering, single or twin outboard power, her performance is as big as her size.

General Specifications

Gunwale length.....	18'	Foredeck Length.....	42"
Beam.....	80"	2-bunks, length.....	6'-10"
Transom width at top.....	65"	Recommended outboard power	
at bottom.....	63"	Single.....	up to 75 H.P.
Transom depth.....	20"	Twin.....	up to 150 H.P.
Depth forward.....	39"	Approx. shipping wt.....	815 lbs.

"17" Fiberglas Cruisette ↓

"22" Outboard Family Cruiser ↑

Only from Owens—a 22-foot honey that's really one for the money! Smooth-side, wider beamed, extra sturdy, the roomiest "22" afloat. More spacious cockpit, has opening windshield in cabin, flying bridge and helmseat. A full walk-around deck. Sizeable cabin makes "living aboard" fun, with dinette table, converta-bunks with mattresses. Sleeps four. Dome lights, galley stove, sink and ice box. Fully enclosed lavatory easily accessible. Truly a rugged performer, with single or twin outboard motors.

General Specifications

L.O.A.....	22'4"	Depth Amidships.....	3'10"
Max. Beam.....	8'0"	Draft.....	1'2"
Transom Depth.....	20"	Approx. shipping wt.....	2100 lbs.

"20" Lapstrake Sport Fisherman ↑

On channel, lake or deep blue sea, rely on her rugged proven lapstrake hull of Weldwood Royal Marine on Owens' solid mahogany frame. Seats fold forward to form bunks. Hinged windshields open wide. Spacious decked cockpit holds several fishing chairs. Motor well is self-draining, motor always accessible over watertight bulkhead. Ideal for both fishing and skiing. Truly a "prize catch"!

General Specifications

Gunwale length.....	20'3"	Depth Amidships.....	3'10"
Maximum Beam.....	7'8"	Forward deck length.....	5'4"
Transom depth.....	20"	Approx. shipping wt.....	1500 lbs.

"17" Fiberglas Sliding-Top Landau ↑

Superior Owens' construction of maintenance-free Fiberglas makes her sounder, stronger . . . for years longer. Expert design makes her plane with less horsepower, handle well at all speeds. Extra beam and freeboard keep you safe and dry. Brooks Stevens styling features removable hardtop that slides fore or aft.

General Specifications

Gunwale length.....	18'	Depth Amidships.....	34"
Beam.....	78"	Foredeck length.....	74"
Transom depth.....	20"	Approx. shipping wt.....	800 lbs.
